The Cardinal Conclave will once again make its way to Old North State Council in the spring of 2006! Tsoiotsi Tsogalii Lodge 70 is greatly excited about hosting this event and is looking forward to all of the fellow Arrowmen from across the state of North Carolina making their way to Camp Cherokee.

Tsoiotsi Tsogalii as the Service Lodge has been working very hard to make sure that this Conclave will be a meaningful experience for you. Please let them know if there is anything they can do to make your stay in Caswell County better. What is a Conclave? It is the most fun crammed into one weekend that you can ever imagine!

Our Conclaves typically have between 800 to 1,000 Delegates from the 6 lodges that make up the Section. There is tons of fellowship & competition at this event such as: Campfires, Cracker-barrels, Patch trading, a

Patch Auction, Ceremony Competitions, Indian Dance Competitions, The Quest, Training, and great food! This is one OA Event you do not want to miss. *From Conclave website.* <http://www.bsaonsc.org/conclave/index.htm>

Lodge Chief Speaks Out

Greetings fellow Arrowmen,
I am looking forward to seeing everyone at conclave. I believe this year's SR-7B conclave will begin a series of conclaves that will have people talking for a long time. Our spring fellowship went great with a good turnout of ordeal candidates for spring and a good brotherhood conversion. Preparations for conclave are still taking place but things are rolling quick and are just about ready to take off. I hope this letter finds everyone well and will see you at conclave. YIS.

Josh Hoover, Lodge Chief.

2006 NOAC By David Yount

When: July 29—August 3, 2006

This summer, 7,000 Arrowmen from across the nation will descend upon Michigan State University overnight for the National Order of the Arrow Conference (NOAC). NOAC, the largest event of its kind, is a week long celebration of the best the OA has to offer. With training sessions on everything from Leadership to Regalia Design, Ceremonies to designing an international trek, it's no wonder why. You might find yourself competing in the morning for the OA National Frisbee Championship title and then across campus later that afternoon as you scuba dive or partake in the largest Native American Pow-Wow you have ever seen. Finish the night off with a show or try your hand at patch trading and you will soon understand why many Arrowmen consider NOAC to be the best Scouting event they ever attended. To find out more on how you can be a part of these amazing opportunities, visit www.oa-bsa.org

High-Adventure Opportunities Await by Dave Nguyen

Each summer, the Order of the Arrow offers a variety of high adventure opportunities to Arrowmen. Whether “wetting” your appetite by going for a plunge in the Atlantic Ocean with the Ocean Adventure at the Florida Sea Base or fulfilling your passion by hiking through Philmont Scout Ranch as a part of your Trail Crew experience, OA High Adventure makes for a great summer. If you have ever given thought to what American Indians and early explorers did to be avid traders, then maybe the OA Wilderness Voyage is your calling. Before your weeklong trek completely designed by you, each Arrowmen will be afforded the opportunity to serve cheerfully for a week by improving portage trails, backpacking trails or coral reefs. Along with providing a Good Turn at each high-adventure base, participants will have the opportunity to work closely with Arrowmen from across the country who are concerned about the future of the national high-adventure programs. This could be seen as a daunting task, but it is a mountaintop experience unlike any other in Scouting. The OA high-adventure programs take you out of your daily routine and connect you with people who want to do something different. It is not every day that you can tell your friends that you climbed into Cypher’s Mine, watched the Northern Lights from a canoe or went scuba diving in the Florida Keys. These programs help to ensure that future Scouts will have a place to live, work and interact. This summer, commit to one or more of the Order of the Arrow high-adventure opportunities. For more information about the OA high adventure programs, please visit adventure.oa-bsa.org or talk to your lodge chief. Choose your adventure now!

2006 Winter Fellowship

The winter fellowship was a lot of fun for those members that were there. Mrs. Sandy Perkinson wore her fingers to the bone sewing regalia for the members to use at the 2006 conclave coming up in April. 5 Pairs of pants and 6 shirts were made. Spencer Braswell stated that the 1st ever trade-o-ree held at tuscarora went very well. We had 42 visitors. He felt that Fair trades were made all around. ECM Met and confirmed and approved the 2006 NOAC flaps.

2006 Spring Fellowship & Ordeal

The 2006 Spring Fellowship was a Great time for all who attended. We had 11 Candidates go through their Ordeal. We also had many members earn their Brotherhood membership.
