STARBASE CAMP 2011

STARBASE - The Science and Technology Academies Reinforcing Basic Aviation and Space Exploration (STARBASE) program will be held the week of 20-24 Jun 2011. It is a five day math and science camp for rising fifth graders. Kids perform exciting science experiments, build and launch model rockets, study Bernoulli's principles of flight and Newton's Laws of Motion, tour base facilities, learn and have lots of fun. If you have a child who will be going into fifth grade fall of 2011 who would like to participate, please call Mrs. Janie Best at 722-5810 or email: janie.best@seymourjohnson.af.mil

Applications are available from Customer Service in the Education & Training Office, Watkins-Das Learning Center. Class size is limited--so don't delay--military dependants do have first priority! Applications are due to Mrs. Best by 15 Apr 2011.

Applications also on: www.esn.net/sbafa

AFA Announces the Chief Paul W. Airey Leadership Fellowship
CMSAF Airey worked his way up through the ranks, earning the very first title of Chief Master Sergeant of the Air Force and gaining the respect of all who served with him and followed in his footsteps. Exceedingly resourceful, humble, resilient, and ambitious, Airey was a man who believed in the Air Force cause.

This new fellowship will recognize others who possess the same qualities of leadership, dedication, resilience, and innovation. The Air Force Association Fellowships are named for the airmen who played pivotal roles in shaping Air Force history and aerospace advancement. Fellowships are presented as a means to recognize other achievements while supporting AFA scholarship programs and initiatives. Fellowships make perfect gifts for speakers, ceremonies, and celebrations of all kinds.

For more information on this and other Fellowships, please visit www.afa.org and click "Contributions"

Message from the President

As you can see above, the Wings over Wayne Air show is going to be HUGE this year. 2 days of aerial demonstrations, bands, vendors and lots of people. It promises to be a great time. I'll be out with anyone that wants to come by and say Hi at the membership table. They haven't said where it will be, but look for the AFA banner.

STARBASE is coming up. If you have a child who is a rising 5th grader, please take the opportunity to sign them up for this. The base puts their heart into this and it's a great experience. If you need more info, contact Mrs. Janie Best at 722-5810

Cyber Patriot is ramping up. For those who don't know, it's the premier national high school cyber defense competition created to inspire high school students toward careers in cybersecurity or other science, technology, engineering, and mathematics (STEM) disciplines critical to our nation's future. Call me if you need more info

See you at the Air Show!!

--Mike
